

**“Affordable Elegance” Product Line**

# DMS4.4™

## Distributed Music System

**4 Sources 4 Zones, 1 Category 5 Cable per Zone...That Simple!**

**Cable runs up to 250 ft per zone**  
**Expandable in 4-zone increments**  
**Built-in TV/CATV/FM Stereo Tuner**  
**High quality audio**

**Affordable price**  
**Simple to Operate**  
**Highly reliable**  
**Easy to install**

The **DMS4.4™** system delivers a very high quality audio at an affordable price. This simple yet elegant system provides unequalled sound quality with cable runs up to 250 feet per zone. It distributes audio signals to four listening areas using only a single category 5 cable. Further, each zone is capable of independently selecting any source. The system also features a source selection function, using an IR Remote Control or a keypad. By cascading additional **DMS4.4™** the system can be expanded in increment of four zones per unit. Each category 5 cable run ends into an **“IWA”** (In Wall Amplifier), for amplification and control.

### In-Wall Amplifier (IWA)

**IWA - IR**

This small but powerful amplifier delivers true high fidelity performance that actually rivals the sound quality of large stand-alone amplifiers. Standard 24 watts, or customized 36 watts or 48 watts per channel is also available. The unit has a built-in IR detector for remote control of Source Selection, Volume Up/ Volume Down, and Mute. Available with IR-only control, or IR with keypad.

<b>Continuous Power</b>	<b>24 watts/chan</b>
<b>Peak Power</b>	<b>60 watts/chan</b>
<b>Frequency Response</b>	<b>20 Hz to 20 KHz</b>
<b>Power Source</b>	<b>12V DC</b>
<b>Dynamic Range</b>	<b>&gt; 100 db</b>
<b>Signal to Noise ratio</b>	<b>&gt; 100 db</b>

**IWA - KP**
