MONO BLOCK AMPLIFIER

HideAway™ Series Mono Block Amplifier

Do you need high quality zone amplification but don't have enough space for a traditional amp? Pragmatic has the answer. The HideAway™ series Mono Block Amplifier produces big luxurious sound, yet fits inside a very small box! This small, powerful package delivers true high fidelity performance that actually rivals the sound quality of large stand-alone mono block amplifiers.

Its monoblock amplifier design provides extremely clean state-of-the-art power. You will experience unexpected sound depth and musical clarity from this miniature amplifier.

The unit accepts any volume controlled line level input and uses a super quiet 12VDC power supply. Advanced protection circuitry guards against system damage from overload, over-temperature, or short circuits.

There are a number of optional features available for this miniature powerhouse. Options include a rotary volume control, multiple amplifiers in a standard rack mount unit, and even an in-wall version that fits nicely in a single junction box.

Ordering Information : This amplifier is available in 3 flavors - 24 watts, 36 watts and 48 watts per channel power outage.

product specifications

Continuous power:	24/36/48 Watts per channel	Freq. Response:	20 Hz to 20 KHz
Peak power:	60/75/90 Watts per channel	Power:	12 / 15 VDC
Dynamic range:	> 100dB	Size:	2"(w) x 3.5"(h) x 3"(d)
Signal-to-Noise:	> 100dB	Weight:	9 oz
