Pragmatic has been in business since 1994 and has accumulated a diverse product base with emphasis on innovative audio and video distribution systems. Pragmatic is mostly known for their groundbreaking product, CATS™ which transmits both studio quality audio and professional grade video over one cat5 cable. In addition to CATS™, Pragmatic also manufactures studio-quality amplifiers, tuners and wireless audio and video products.

Pragmatic constantly adjusts and improves its products to stay one step ahead of the customer's needs. Pragmatic will continue to design and manufacture products that are used throughout the world in demanding life-critical, educational and entertainment applications.
