Cost Efficient

The PNP-1 network player is a cost-efficient, CAT5-based extension system able to transmit audio and video up to 1000ft from one source to infinite screens.

Ideal for a variety of applications

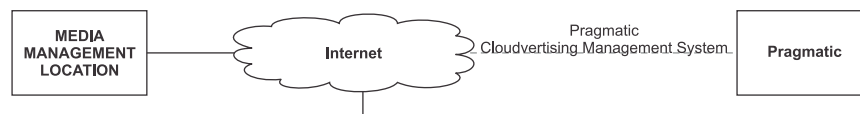

Extension enables strategic placement of screens in multiple locations. Pragmatic's PNP-1 is ideal for commercial and healthcare

Scalable

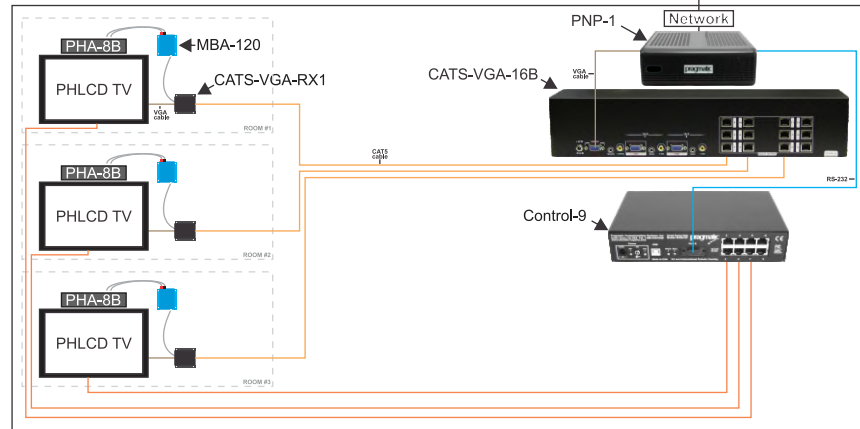

When your business grows, the PNP-1 grows as well. The PNP-1 systems can deliver up to 200 screens
